

FROHNE DRUCK GMBH

As a medium-sized company, we have consistently specialized in the production of sophisticated secondary packaging for the pharmaceutical and food industries. Our customers appreciate the assured quality of our products and their excellent running characteristics within the production and assembly lines.

To expand our team, we are looking for:

INDUSTRIAL-SCALE BOOKBINDER [M/W]

Your tasks:

- Equipping of modern production facilities and their monitoring
- Motivated handling of technical challenges and realization of sophisticated products

Your Qualification:

- A successfully completed apprenticeship as a bookbinder
- A careful way of working, technical skill and joy dealing with modern technology
- The ability to work in a team and the willingness to work in shifts
- The interest in varied tasks and openness for new challenges
- Quality is very important to you

**If you see your professional future
in our company, send your application to:**
